

Invites you to

# *Searching for inner wisdom*

3<sup>RD</sup> CZECH CRANIOSACRAL CONFERENCE

10. 3. 2018 | Prague Emmaus Monastery

Speakers and topics:

**Jan Honzík, PhD. (CZ)**

*Creating a healing field through awareness*

**Karin Klinke (A)**

*Trust the Tide*

**Bhadrena Tschumi Gemin (CH)**

*The Dance between Therapist and Client*

The length of presentations 60–75 minutes.

We would like to invite you for this unique opportunity to meet experts with many years of experience – both in therapeutic practice and teaching. The last part of the conference will consist of a panel discussion providing you with the chance to ask the speakers your questions.

The conference will offer relevant information especially for the practitioners of craniosacral therapy, osteopathy, physiotherapy, as well as other medical professionals, psychologists and psychotherapists who are interested in body-work and would like to broaden their knowledge and perspectives. This event is also a great chance to meet with colleagues.

Translation between Czech, German and English languages will be provided.

On Sunday March 11<sup>th</sup>, the conference will continue with two workshops, led by Jan Honzík and Bhadrena Tschumi Gemin.

For application forms and further information visit:
